- **Languages:** Fluent in English and Mandarin Chinese; Proficient in Japanese (JLPT N3 Level)
- **Others:** Extensive knowledge in biology and biochemistry; Proficient in basic probability theory
- Curious and conscientious with an earnest desire to learn; Fast independent learner with published projects; Enthusiastic and effective team player (2 hackathons with team awards: Waterloo Hacks and NHacks)

PROJECTS & HACKATHON EXPERIENCES

WatScholarship 🌟 **Google Play:** <https://goo.gl/CUZQBA> January 2016-Present
Java, XML, Android Studio, JSON

- Published an Android application that helps UWaterloo students search for scholarship information
- Learned much about user interface design, API calls, and Android development in general

Personal Website 🌟 **http://dzed.me** November 2015-Present
HTML, CSS, JavaScript, Jekyll, Markdown, Bootstrap

- Built a personal blogging website that showcases my projects, interests, and thoughts
- Updating a series of tutorials on the game of Go and lecture notes to share with my peers
- Accumulated over 1200 page views as of June 2016

EasyCalculator 🌟 **GitHub:** <https://git.io/vrGRj> February 2016-Present
Java, XML, Android Studio

- Developed an Android calculator that takes in audio input and outputs the result of the calculation audibly
- Implemented with Google's Speech Recognition and Text-to-Speech APIs

Myo Muse - Waterloo Hacks 🌟 **GitHub:** <https://git.io/vzhPr> January 2016
Java, XML, Android Studio, JSON

- Built the Android client of Myo Muse, a music application that changes the song playing in the Spotify playlist to match the user's running pace; **1st Place in Waterloo Hacks** (<http://goo.gl/jRulf4>)

EDUCATION

- **Candidate for Bachelor of Computer Science, Honours, Co-operative** 2015-2020 (expected)
University of Waterloo, Waterloo, Ontario
- **Udacity - Introduction to Data Science** May 2016
 - NumPy • Pandas • Data Analysis • Data Wrangling • MapReduce

WORK & VOLUNTEER EXPERIENCE

Museum Educator Volunteer October 2014-June 2015
University of British Columbia - Beaty Biodiversity Museum, Vancouver, BC

- Interacted with and engaged visitors with touchable specimens and biodiversity talks
- Assisted with educational programs for children, including Puppet Shows and Story Time
